

BE A CAMBRIDGEPORT SCHOOL VOLUNTEER!

Cambridgeport School needs parental involvement to remain successful. Along with your involvement at home, when you volunteer at an event, join a committee, or attend a meeting of the School Council or the Cambridgeport Parent Teacher Organization (CPTO) you directly improve the learning experience of *every child* at Cambridgeport. You also gain a more complete perspective of the school beyond your child's classroom. It really helps to know your school.

PLEASE FILL IN THE INFORMATION BELOW and return this form to your child's teacher or to Shirley Harvey, the Cambridgeport family liaison. Questions? Feel free to contact Shirley at 617-349-6587 ext. 111 or sharvey@cpsd.us. Would like to talk to a parent? Contact Elizabeth Liss at elizabeth.liss@gmail.com or call 617-820-8910.
